

MALAY LANGUAGE DEPARTMENT

NEWSLETTER 2023 ISSUE - 01

What's in this issue?

1. *Hari Raya 2023 Celebrations*
2. *'Cepat Tepat!' Competition*
3. *P1 Music and Movement Enrichment*

1. *Hari Raya 2023 Celebrations*

The Hari Raya Concert this year celebrated the significance of endurance during the fasting month and reiterated the importance of family and friendship during Hari Raya Aidilfitri.

In celebrating cultural diversity, the Malay dance segment was performed by the Malay, Chinese and Hip Hop dancers. The Chinese and Hip Hop dancers learned the meanings behind the elegant movements of the Malay dance and even wore traditional Malay costumes during the performance.

The primary 2 students also walked with confidence as they paraded the traditional costumes worn during Hari Raya celebration! It was such a joyous occasion! ☺

2. 'Cepat Tepat!' Competition

In promoting the use of Malay language amongst our students, a group of P5 students were selected to join the competition 'Cepat Tepat!' organised by Malay Language Learning and Promotion Committee at the MOE Language Centre, Bishan, in May 2023. The competition aimed to strengthen and widen the student's knowledge in Malay language and culture.

Prior to the competition, students diligently prepared themselves through a series of rigorous training sessions to hone their language skills.

During the preliminary round, the students enthusiastically participated in the grueling round of selection. However, despite their best efforts, their journey came to an end. The students shared that they felt honoured to be able to represent the school in the competition. It was definitely an eye-opening experience for them!

Kudos for the great team effort in representing CPS! ☺

3. P1 Music and Movement Enrichment

In encouraging the use of Malay Language, the P1 students embarked on a 5-week enrichment programme to develop their oracy skills. Students learned to dramatically express themselves through voice and movements and build their confidence as they work together to perform the old folks tale, 'Badang'.

The programme culminated in the students showcasing their talents via a short performance in their respective classes. The programme successfully aroused the students' interest and improve their fluency in using the Malay Language!
