AN INSIGHT INTO THE LAST LAP FOR OUR PUPILS

MTL FORTNIGHT

MTL FORTNIGHT ACTIVITIES

Our Tamil pupils were given the opportunity to learn various types of Indian traditional dance during Mother Tongue Fortnight. Primary 1&2 pupils learnt Kummi traditional dance, Primary 3 & 4 Oyilaattam dance and Primary 5&6 learnt Kolaattam dance. Pupils were enthusiastic to learn these dances and they definitely did fantastically well!

P4 CULTURAL CAMP

Primary 4 pupils had P4 cultural camp in August. They learnt the use of the Tamil language through Speech & Drama. This camp gave pupils the opportunities to help improve their verbal and non-verbal communication skills, understand characterization through music and movement and develop good speaking skills. Most importantly, pupils had a fun and joyful time at the camp.

DEEPAVALI 2022

Deepavali Celebration was held in the hall in November after 2 years of Covid . Pupils and staff of Corporation Primary enjoyed the concert as it was filled with many enjoyable segments such as kuttu vilakku (oil lamp) lighting, fashion parade, saree tying competition and many more. It was informative and pupils learnt more about the festival!

RECESS ACTIVITIES

Pupils had the chance to make laddus and murukkus for Deepavali Recess activity. It would not be possible without the valuable support from our Parent volunteers.

Pupils learnt making the shapes of murukku using murukku maker and how to make laddu into small round balls.
